## PRESIDENT'S REPORT

In this eventful Centenary Year for our club, as my first season as President ends, I've learnt much and enjoyed this role.

Amidst the activity of our busy season, it's important to remember to say our thanks to the volunteers who keep this club going. My thanks go to the committee members: Toby Tribe, Bill Heath, Joel Silver, Tas Tudor, David Long, Scott Rankin, Matt Saunders, Andrew Stolzenberg, and Geoff Rixon. In addition, outside of the committee, Phil O'Rourke continues his season after season support.

Additionally, appreciation goes to Lucas Skelton as club coach and the coaches and team managers in the junior section who contribute week in and week out.

Thank you to all volunteers who have dedicated their time and effort to the club this season.

We extend a special thank you to Tas Tudor, who will step down as Junior Chair at the season's end. Tas's longstanding dedication to the club is commendable, and we are immensely grateful for his contributions. We're pleased to announce that Ryan Green will take on the role of VP Juniors, ensuring a seamless transition and continued excellence in the junior section.

We also say a special thank you to Toby Tribe, who will now be stepping back from his committee role. Toby as a past President and Vice President over the last 15 years has dedicated untold hours of value to the club as well as being the captain of the seconds and a committee member even before becoming VP. The club owes Toby a significant thank you and much of the success of the club today is directly attributable to him. Toby will remain close to the club's activities outside of committee and his knowledge will continue to be sought as the club moves forward.

Financial management remains a key challenge, but thanks to the committee's diligent efforts on increased fund raising and income, our club maintains robust financial health. Last season's loss has been significantly reduced and we've had to absorb unforeseen but necessary expenses this season, such as merchandise replenishment which we are confident we will recover through future merch sales.

This year, we experienced memorable moments both on and off the field. From successfully transitioning to Play HQ to hosting the unforgettable Centenary Ball, attended by over 170 members and guests, the sense of community and camaraderie was clear. Social events like Trivia Night further strengthened inclusivity within the club.

On the field, we celebrated grand final victories. Many congratulations on winning premierships to our Senior 2nds (back-to-back premiers), led by Zane Macdermid, our T20 squad, led by Lachy Holmes, our U16As coached by Mitch Horn and our Stage 2 Girls (combined with Burwood) coached by Nigel Suckling. With 13 teams competing in finals cricket, including seniors, veterans, and juniors, our success is evident and showcases our depth, spirit, and team leadership.

Feedback from our club survey underscores our strengths in culture, social events, and playing enjoyment. While we recognize areas for improvement, particularly in senior selection and player opportunities, we remain committed to enhancing the club experience for all members.

Finally, a thank you to our sponsors, including Shelter Real Estate, Proctor Major, BM Tech, Axiom, Fethers, Ashburton Meats, BlueCross, Philotimo, all of whom are new club sponsors this season, joining Deeds, Bendigo Bank, Malvern Autos. I also thank the player and team sponsors too. A thought for Deeds Brewing our platinum sponsor, who are going through a very challenging period, and we wish them well and sincerely hope that the brand can not only survive but flourish.

As we embark on the journey ahead, let's continue to uphold the values of inclusion, enjoyment and success that define our club.

Thank you.

Jim Parry - President

## **SECRETARY'S REPORT**

Unlike the previous season, 2023/24 almost started on time and was largely uninterrupted throughout the season.

The club introduced a new committee with 50% of the committee being in their roles for less than 2 seasons. New to the committee for 2023/24 were Jim Parry as President, Joel Silver as Treasurer, Geoff Rixon and Matthew Saunders...all making solid contributions.

Following the challenges experienced last season, this year was largely uneventful and the club came together for a successful and largely enjoyable season.

As a committee, we had a number of successes that made the club easier to run and set us up for greater success in the future. These included:

- Transition to PlayHQ from MyCricket
- Better management of the bar
- Transition to a cashless club
- New Defibrillator machines
- Improved communication and social media
- Great social functions including Centenary Ball celebrations and Trivia Night.
- Planning for the introduction of Womens cricket in 2024/25

On field, the season was largely a success. The acquisition of new players including Dave Carman, Fred McMillan, Pat Ryan and others bolstered our chances of making the finals across all senior sides. We were again successful in the 2nds with Zane Macdermid leading the team to glory in one of the most exciting finishes you could imagine. We also won another T20 Premiership under the leadership of Lachy Holmes which went some way to erasing some of the pain from last season's narrow loss. 4 out of 5 remaining senior teams competed in the first week of finals...an outstanding result.

We also fielded 3 Veterans sides with the Vets Div 3 and 4 teams making the semi finals. Tas Tudor led our junior program with great enthusiasm which was rewarded with a Premiership for the U16A's and a first ever Girls Premiership.

The main focus for 2024/25 will be the creation of the inaugural Women's Cricket team. Tas Tudor has taken on the role of Women's Cricket Champion and has been working with stakeholders to get this up and running. We will be seeking a Vice President Women's Cricket to join the Committee to see this initiative through.

My role of Secretary is made so much easier with the support of many others. We are a volunteer run organisation and most people of the committee work full time. There is a huge amount to be done in running a club and a lot of people contribute their own time and I would like to acknowledge the following:

- All those who contributed and helped...
  - Put the covers out
  - Set the grounds up for play
  - Cooked Thursday dinners
  - Operated the bar
  - Operated the BBQ at functions
  - Helped out on Fridays for Blasters
  - Assisted with afternoon teas
- In particular I'd like to thank Phil O'Rourke for his outstanding contribution whether it is behind the camera or cleaning pavilions and Ethan Rocke who is always happy to help out with adhoc requests
- The coaches and captains; Lucas, Nathan, Zane, Macca, Tas, Leigh, Simon and Chris...thankyou all. We didn't cop any fines or have any controversy this year which is a good benchmark!
- The committee for the incredible work and time they put in to make the club successful and the environment safe and enjoyable. Everyone acts in a volunteer capacity and most have to juggle fulltime work with the sizeable demands of the club. Joel Silver, Tas Tudor, Scott Rankin, David Long, Geoff Rixon, Matt Saunders and Andrew Stolzenberg have all given up their own time to make a contribution so others can play cricket.
- Scott Rankin for leading the organisation of two very successful social events
- Paul Connors for his ongoing support of the club via his very successful annual lunch
- In particular I'd like to acknowledge Jim Parry and Toby Tribe for providing guidance and a sounding board as required. Jim has been a wonderful addition to the Committee, providing a cool and calm presence. Toby's contribution to the club each season is enormous in so many areas...whether providing good advice, helping serve hotdogs on Friday night, or stepping in to captain a side.

Looking forward to 2024/25, we will have a better structured committee and new committee members. There will be ongoing challenges with increasing costs, increased governance and competition for resources but we are well placed to meet these challenges.

## TREASURER'S REPORT

The Club operated at a slight loss of \$325. This represents a fantastic turn-around compared to last season. Revenue increased by 31.2% whilst expenses also grew by 20.1%. GICC is in a very sound financial position with total assets of \$101,589.22 (balance of bank accounts + stock-on-hand).

GICC implemented tighter controls over finances via the implementation of Square to manage inventory. Next season, Xero accounting software will be utilised for even greater oversight. The Club should return to profit next season on the back of forecast decreases in expenditure whilst maintaining revenue.

### Key Financial Summary Points –

- Total Revenue of \$191,312.88 - increased by 31.2%
- Total Expenses of \$191,637.64 - increased by 20.1%
- 2023/24 Operating Loss - \$324.76
- 2022/23 Operating Loss - \$23,740.37 on total revenue of \$145,806.88 & total expenses of \$159,517.7
- Bank Account Balance – \$10,899.66 (as of 30/4/24)
- Term Deposit 1 – \$44,125.06
- Term Deposit 2 - \$23,009.50
- Stock-on-hand (merchandise) - \$23,555
- Sponsorship grew to \$13,825 from \$7292 up 89%
- Total player subscriptions increased from \$51,266 to \$58,509 up 14%
- Additional sources of revenue such as the Centenary Ball, raffle ticket sales, the trivia night & Sportsman's Lunch all contributed to the bottom line
- Expenses increased as a result of hosting the Centenary Ball, a significant spend on merchandise (which is an Asset we can pull on next season), increase spend on balls, umpire fees along with hosting the Centenary Ball & book production

Joel Silver - Treasurer

## COACH'S REPORT

Dear GI's,

As we draw the curtains on our centenary year, I feel privileged to have been at the helm of our club during this historic season. The journey we've undertaken together has been nothing short of remarkable, filled with moments that honored our past while paving the way for an exciting future.

As the season unfolded, the historical insights shared in the lead-up to our centenary ball provided invaluable perspective on the rich tapestry of our club's past and the role each of us plays today in adding another chapter to its legacy. We started in May with a small but focused group and ended with the entire playing competing in finals and in many cases players in career best form. Most importantly, we did it together and with a smile

The off and pre-season period was important for many of our players, providing them with the opportunity to hone their skills and evolve their games ready for the season ahead. It was very pleasing to witness our players turn this practice into newfound confidence resulting in significant match day contributions.

The arrival of Pat Ryan, Dave Carman, Flynn O'Brien and Fred McMillan further strengthened our senior and U/16 playing groups. Our main goal for the season was to instill in our players the importance of taking full ownership of the 'channel'—a concept that transcends the mere physical dimensions of the pitch, encompassing every facet of their game.

Throughout the season, 'channel' became more than just a strategic focus—it became a mantra embraced by our playing group, guiding our training and match-day endeavors. In addition, to owning the 'channel' the extension of this was to be able to make the jump from playing well for 10 overs to playing well for the entire innings or match. Over the course of the season, we saw players achieve career best performances such as batting for 150+ balls, bowling second and third spells as good as their first and being able to ramp up the pressure in the field after 5pm.

Training sessions buzzed with energy, as players of all ages and experience levels came together to share knowledge and engage in spirited contests. The camaraderie fostered during post-training dinner sessions provided a platform for meaningful discussions about cricket and life, further strengthening the bonds within the GICC family.

On the field, the season was marked by resounding success across the board, with all but one of our sides qualifying for finals. While the 1st XI fell short in the semi-final, their performance showcased the strides we've made and the potential for future success. The 2nd XI overcame a slow start to clinch back-to-back premierships in a thrilling grand final win for the ages, while the U/16s displayed a brand of cricket which can withstand the spotlight of grand final cricket and ultimately outlasted strong opposition to collect their own piece of silverware. Our T20 squad completed a faultless campaign, showcasing our ability to also excel under the pressure of finals cricket.

On a personal note, I would like to thank the GICC community for their unwavering support. As I say every season coaching and playing is a bucket list item for myself which I enjoy so much, however I would not be able to do what I do without guidance and support of the committee, players, junior coaches, team managers and families. I would like to acknowledge the following people for your support; Jim Parry, Bill Heath, Phil O'Rourke, Toby Tribe, Scott Rankin, Tas Tudor, Nathan Boucher, Lachy Holmes, Krish Paulpillai, Zane MacDermid, Paul and Tom McDermott, Ethan Rocke, Ryan Green, Rob Cooper and Chris Learmonth.

I am also very grateful for the support Jarrod Hill and Gray Canning from SPORTENG provided in sponsoring both the U14A's and myself.

Congratulations to all on making our centenary year one to remember. Here's to many more years of success at the Glen Iris Cricket Club.

Cheers,

Skelts

## 1<sup>st</sup> XI – Dunstan

After finishing Season 22/23 unfulfilled, the Dunstan group were keen to take the next step in our efforts to achieve the prized Dunstan flag. Our pre-season was exceptional and the belief among the turf squad was there from day 1.

The season started somewhat prematurely, as we ventured to Mont Albert to play on a wicket that looked and felt like a moist mud cake. A lost toss meant that we were unsurprisingly sent in, leading us to post a measly target of 69. Whilst the opposition equally struggled, they managed to pass us 6 down. Not the start we were after, but ultimately began a season which I would grade a B+.

The 1<sup>st</sup> XI had plenty of consistent periods throughout the year and this was well reflected by our ladder position midway through the season, as we comfortably occupied 2<sup>nd</sup> spot. Post-Christmas proved to be much more challenging for us as a unit, as we were unable to re-capture the form and momentum that we had built during the first half of the season. However, we stood up when it mattered, clinching a last round victory which meant we would play Mont Albert in a Dunstan Semi-Final. Unfortunately, in all-too-familiar fashion, costly errors throughout our batting innings led a Mont Albert victory which happened to bookend our season for 2023/24.

What was truly pleasing as a captain was the way that some boys were able to consistently deliver when asked to play their role. There were two players that particularly stood out. The first being Lucas Skelton, who knew coming into the season that he had a massive role to play with the ball. Fair to say, Skelts excelled, having his best year as our lead-spinner taking 27 wickets at a comp-leading average of 14.37. What is arguably more impressive was his consistency and ability to bowl more than 20 overs, which he did on four occasions. The second player was Dave Carman. A fresh recruit that started his journey with us in Round 3. From that moment on, DC led from the front, taking on a Herculean load with the ball. In just 10 matches, Dave bowled 130 overs, taking 21 wickets at an average of 16.9. This paired with 204 runs made for an incredible year.

I would like to mention the success of another T20 campaign that was brilliantly led by Lachy Holmes. Winning the Flag are memories that will last a lifetime and it was made even sweeter getting it done over Mont Albert.

We now enter a stage where the squad is ready to go all the way. We have built on our depth, recognised our areas of improvement and I know that we are mentally up for the challenge. We are no longer earning our place in Dunstan Shield. We are well respected competitors. Having a winning mindset, coupled with robust game-day plans is a lethal combination that I look to bringing into season 24/25. My role is to ensure that the 1<sup>st</sup> XI is in the best position possible to win the Shield come finals in March. I can't wait to get stuck into next year - Go the I's!

Nathan Boucher  
Captain

## 2<sup>nd</sup> XI – C Turf

The season of 2023/24 saw the 2nd XI move up to C-Turf after securing promotion under the leadership of Matt Ciardulli. My goal was to continue to build on the strong foundations Chizz had laid during his time as captain, whilst also adding in my own fresh leadership style and tactics. The chemistry and connection of this group is strong and made my first year as captain an absolute pleasure.

It was a bit of a mixed bag to start to the year, with a close win against Hawthorn in our first game followed by narrowly avoiding an outright defeat to East Doncaster. This left me wondering where exactly we'd fit in the C-Turf hierarchy. But once we got the cattle together in the back half of the year, it was clear that we were going to be competitive at this level.

We were a tad inconsistent with the bat in the first half of the season and often struggled to see out our full allotted overs. Matt Ciardulli (332 runs @33.2) and Luke Gatehouse (275 runs @23.92) were usually the rocks of our innings. Our strength was definitely with the ball, with a plethora of bowling options spearheaded by Cam Proposch (16 wickets @ 13.19) and spin twins Mitch Horn (13 wickets @ 22.37) and Luke Gatehouse (16 wickets @16.5). Cam should be looking to push into the 1st XI next season if he can get a good run without any injuries, his pace is as quick as anyone at the club and his ability to cover ground in the field is superb.

At the midway point of the season, we sat inside the top four without feeling as though we'd really played our best cricket. Following a slow re-start post-Christmas and a disappointing performance against Bullen at home in round 12, we were staring down the barrel of having to win our last two games to secure a spot in the finals. With our backs against the wall we managed to put the pieces together and go on a tremendous run of wins, culminating in an incredible grand final victory against Bulleen. Below are some of notable highlights from that period:

- 85-run partnership between young guns Jasper Tudor (75) and Alex Pillay (45), saving our innings from 5/41 to 9/165 against East Malvern Tooronga.
- Cam Proposch 6/22 off 18 overs running through Boronia and securing our place in the finals.
- Dan Cohen's (105) maiden ton in the semi-final against Burwood, a powerful innings that led us to a total of 6/263.
- Mitch Horn bowling a marathon 28 over spell in the grand final finishing with 4/63 and earning himself another man of the match medal.

Another major highlight this season was the continued emergence of our junior talent at senior level. Jasper Tudor, Alex Pillay, Adam Rixon, Evan McVey, Lachie Simpson, Lachie Nicholson and Benji Randabel all filtered through the team at various stages this year. These guys were not just making up the numbers and often had serious impact on the results of games. It's clear the GICC is in safe hands and has an extremely bright future ahead.

Lastly, I'd like to thank the committee for giving me the opportunity to captain this season. To captain a great club like Glen Iris, particularly in the centenary season is an honour that isn't lost on me. I look forward to this groups next challenge of B-Turf next season.

Zane Macdermid  
Captain

### **3rd XI – LOC2**

The 3rds came into this season full of hope in LOC2 after a premiership in LOC3 saw the side promoted but the side saw an exodus of players from the previous season, with a number of 3<sup>rd</sup> XI players opting to follow the former 3<sup>rd</sup> XI captain down the grades.

In the end, it was down to a core group of players, willing to play where selected, that kept the side going and competitive, ultimately making the final four, only to be beaten by the top side, who were a 1<sup>st</sup> XI outfit.

Week in week out, it was down to Jason Hill, James Taylor, Justin Hendy, Scott Rankin, Jim Parry and myself to keep the 3rds going as the core unit, with great assistance through the year from Harsha Gunaratne, Benji McDonell and the great surprise packet of the season, Will Farley. In all, 37 players took the field for the 3rds this season and thanks go out to all of them.

Often cruelled by unavailability from above and below, it was a great effort by the 3<sup>rd</sup> XI to make the finals, with the only side we could not get past being the eventual premiers for the grade, Manningham. Our batting really was our strength, led once again by Jason Hill who made 462 runs and James Taylor who made 391 runs including 96 in the semi-final. James' effort was even more impressive considering he missed a number of games due to shoulder surgery, following an injury in the Round 6 against Monash.

Often, our bowling, and at times our fielding, proved to be our Achilles heel as we simply could not defend some meagre batting totals, when the batting line up did not fire; nor could we defend some sizeable totals. Certainly, that is not down to the bowlers themselves; more that they were often asked to do a little too much to bail the side out, and a run before Christmas of some ordinary catching also hurt our outcomes and really let down our bowlers who often toiled away without their deserved rewards.

Huge credit goes out to Justin Hendy for his effort with the ball this year. He was outstanding as the winner of our Bowling Award. It was a pace-off season for us with Justin and Joel Silver spinning us to 31 wickets between them. Thanks also to Scott Rankin in this regard, who I eventually asked too much from and broke him, leading to the premature end to his season.

I did mention Will Farley earlier, but it is worth noting Will's season as a bottom age U16 player, was outstanding. Not only from a bowling and batting perspective but from his attitude. He took bad news maturely and always stressed his aim was to play as high a grade as possible. Such endeavour and desire to play at the highest level possible from a

young player, should not be overlooked and should serve as an example to others who might want their cricket a little easier.

I should also thank Jason Hill and Scott Rankin for stepping into the breach as captain on those occasions I was unavailable myself due to work or commitments up the grades. Certainly, I was not captain of the side at the commencement of the season, so for those two to stand in when required was fantastic.

To conclude, the side will need to bolster its ranks next season with the core group of players well into their 50s, needing to be replaced or supported with younger teammates, to be able to replicate or surpass this seasons' 4<sup>th</sup> place finish.

Toby Tribe  
Captain

### **4th XI – LOC 5**

Season 2023 2024 saw many ebbs and flows along the way for many of the players involved but I think most would probably have enjoyed the season overall; well I hope so anyway!

We ended up losing a semi-final to a side that totally lost any sense of humility or sportsmanship and who were easily playing a few grades lower than what they should have been but I guess that's ECA LOC cricket for you – some years you can be on the right side of the ledger and other years well it's not so good!

I thought the overall standard of LOC5 was much highly than I expected before the season and I think that was what most thought in the end.

The eventual premier was way too good for the rest of the field but it was actually a fairly even year between most of the other sides.

We found a few new players with Paul Pettenon & Senthil Kumar – both took to GICC life with gusto!

We welcomed back a few old faces in George Koumantatakis, Joe Yodgee & a couple of cameos from Jeremy Cogdon and Sam Muttdon. It was great seeing these guys again! And played juniors in Will Farley & Flynn Skelton. Watch this space with both lads!

The stars with the bat were Adam Lane 344 runs, Paul Pettenon 318 runs, George Koumantatakis 190 runs, Dave Grunig 147 runs, Derek Jarman 139 runs, Joe Yodgee 130 runs and Jason Hoskins 110.

Top 5 with the ball were Joe Yodgee 21 wickets @ 16.19, Harsha Guneratne 14 at 14.43, David Grunig 13 @ 21.39, David Long 9 @ 19.89 and Benji McDonnell 8 @ 14.38.

In the field saw David Grunig 7 catches, Joe Yodgee 6 and Paul Pettenon 5 catches led the way.

## **Snap shot of season**

R1 – win over Ashburton - Hoskins 51 & Macdaddy 2/9 off 6.

R2 – lost Manningham but Pettenon 40 Yodgee 40 & Jarman 38 plus two stunning outfield catches!

R3 – win with Grunig & Harsha 7/44 between them out at Heathmont.

R4 – lost a nailbiter to Mt Waverley – Banga 71, Grunig 57.

R5 – lost another close one to Ashwood – Pettenon 61 & Banga 39.

R6 - forfeit win then R7 & R8 wash outs.

R9 - lost to Toorak Prahran after having then 8/71 – a f up

Christmas/New Year

R10 – The David Brown match with 4/22 & Doc 42 v Ashburton.

R11 – The Benji match with 5/14.

R12 - Outplayed by Mt Waverley Pettenon 45.

R13 – Yodgee 43 & 0/10 off 8 overs with Rocke heroics last over 3 not out guided us home!

R14 – Another cock up to Toorak Prahran - had them 5/67 then 7/107 but lost.

R15 – Bad loss to Heathmont.

R16 – The day Mt Waverley umpires couldn't see or hear – Doc 58 and Grug 34.

R17 – Probably our best game – knocked out Mt Waverley from finals – Lane 62, Pettenon 52, Kelly 51, Doc 35.

SF – Long 41, Hoskins 51 & Will Farley 29 the shining lights on a hot and trying day.

Finally being the 4<sup>th</sup> banana within the club it is not easy at times as the side consistently lost players to other sides when players in higher grades did not play for a variety of reasons.

This can be highlighted even in semi-final week that saw four regular players out in higher grades unavailable – so imagine if we pushed 4 more players down in LOC5 for semi-final week and well 'hello' maybe.

So I guess I'm saying to players in higher grades that when you have a week off in higher grades remember you also impact the bottom XI as well!

See you all in 2024/25

Go Iris

Cheers

Paul McDermott

## Sunday Division 2 Turf

As the season review, it's time to reflect on a journey filled with remarkable growth, spirited performances, and an unforgettable grand final appearance - we are a team of GI warriors! The Sunday Turf 2 Slattery Shield team, primarily composed of promising juniors, has demonstrated significant development and a competitive spirit, achieving much throughout the season.

### Season Overview

Our team, led with a philosophy geared towards nurturing young talent and easing the transition from junior to senior cricket, has shown not only skill and potential but also an amazing team spirit. We celebrated several outstanding individual performances and fought hard all the way to the grand final. Although the ultimate prize eluded us, the strides made this season promise an even brighter future.

### Notable Players and Achievements

- Lucis Yole: An exceptional talent, Lucis clinched the ECA batting average with a staggering 346 runs at an average of 86.5, setting a high standard for his teammates.
- Adam Rixon: Showed versatility scoring 352 runs at an average of 32 and taking 13 wickets, proving to be a vital all-rounder for the team - and IMHO is the #1 leg spinner in the state for U16s.
- Riz Mawzoon: Contributed significantly with both bat and ball, scoring 250 runs and taking 8 wickets. His leadership and guidance across the season in helping to educate the boys was invaluable.
- Alex Pillay: Reliable with 240 runs and 6 crucial catches and amazing keeping.
- Jasper Tudor: Impressive with 235 runs and 12 wickets at an average of 13.83, demonstrating his prowess as a key bowler and development as a batter.
- Lachie Nicholson and Tom Groom: Both crossed the 200-run mark, with Tom playing a memorable innings of 72 in the grand final.
- Evan McVey and James Caroe: Starred in the bowling lineup, taking 17 wickets at 16.71 and 15 wickets at 12.2, respectively.

## Season Results Summary

Our journey through the season featured several high points, as reflected in the detailed game outcomes listed below. The resilience to reach the grand final despite some tough competitors speaks volumes about our team's character and determination.

Round	Opponent	Glen Iris Score	Opponent Score	Result
1	Canterbury 4th XI	-	-	Abandoned
2	Mont Albert	7/212	4/79	Abandoned
3	Boronia Hawks	4/71	-	Abandoned
4	Hawthorn 1st XI	4/218	8/204	Won
5	Boroondara	0/139	10/138	Won
6	Toorak-Prahran 5th XI	1/219	5/215	Won
7	Boronia Hawks	1/145	7/144	Won
8	Canterbury 4th XI	-	-	Abandoned

## Reflections and Moving Forward

The grand final was a heartbreaker—so close, yet so far—but the experience gained is invaluable. Our juniors have shown they can compete at high levels, and this exposure will only harden their resolve for future challenges.

It was fantastic to see everyone this season, and I'm really looking forward to our next journey together.

Thanks,  
Tas Tudor

## Sunday Division 3 Turf

With Tas' 2022/33 premiership team being promoted to Sunday Turf 2, there was an opening for another GI Father & Son team to emerge. And so it was.

The 2023/24 Turf 3 team was formed with a nucleus of juniors from the GI Under 14s and 15s all keen to continue their cricket development on turf and possibly learn something from the more "aged" players on the team. The squad included the Hooke's (Rob and Harry), Sando's (Leigh and Will), Darley's (Mark and Jack), Kumar/Bhatnagar (Sandeep and Siddh), Turner's (Paul and Alex) and Brad Moore, Jasper Quinn, Anthony Klashovski.

An all too customary start to the season with the first 2 rounds being abandoned due to inclement weather.

Round 3 was also abandoned by many, but we played on in very wet conditions on a syntho pitch. We should not have, losing to STC comprehensively and losing our keeper senior Hooke, to a pinged calf in the 2nd over of the game...

Round 4 and we didn't fare much better against a strong Mulgrave team away, but the feeling in changerooms was positive and a team was starting to gel together.

Back at the Raven in Round 5 and Jack Darley announced himself to the division with his maiden 100 not out off 128 balls and we saluted with a strong win over Toorak-Prahran. Who knows the words to the club song;  
We're the team that's Supreme, And our colour's gold and green.....

Round 6 still at the Raven and Siddh opening posted 53, of 5/179 against Donvale who were undefeated. We thought that was a competitive total if we bowled and fielded well. The Donvale openers were chanceless and chased them down without fuss.

Round 7 was a comprehensive victory against STC, Jasper scoring 40 opening, Harry scoring 30 not out and Will taking his third three for, for the season.

Round 8 & 9 were washouts and Round 10 saw us pitted against East Malvern at the Raven. A strong victory ensued, with Jack and Siddh scoring 50 and 91 respectively and an overall strong bowling performance.

Post the Xmas break and with some confidence now building within the team, we were looking for 3 wins in a row against Deepdene Bears at home. Everyone contributed with the bat and we posted 7/183 which as too many for Deepdene, all out 123. Sandeep topped the bowling figures with 4/16.

Round 12 against STC ended in a tie, both teams 10/156. Who should have won? Both teams have claims, the momentum of the game swung throughout, but with final spots up for grabs, the tie would likely be very important in the season wash up. Rob Hooke top scored with 34 and another three for, for Will.

Round 13 against Toorak-Prahran a lower ranked team and we just had to win. And batting first and being 5/45 odd, it wasn't looking so great. Welcome to the wicket Paul

Turner, who scored a career high 77 off 85 and who was ably supported by Jack 38, 9/195 in the end, and too many for the opposition to chase down.

Round 14, early Feb and the weather forecast was hot, in fact very hot, but was it too hot!! In the end, no, we played. In the field first, we bowled and fielded well for the first 20 overs, but the heat took a toll in the 2<sup>nd</sup> 20 overs and Deepdene managed to push their score to 8/179. We chased well, but fell agonisingly short 9/168. Luke Suckling impressed with the bat 39, Harry Hooke 52 not out almost got us over the line with Alex holding up an end admirably in the searing heat late in the day.

Round 15 and with a finals spot secure we were up against East Malvern at Ferndale. Having got off to good start we reigned in their batting to have them all out 138 and chased them down in 29 overs with Brad 33 not out and taking three for.

Have qualified 4<sup>th</sup> our semi-final was against top of the table Donvale away. They won the toss and batted.

At the 20 over drinks break we felt like we had gained some momentum and slowed their scoring, but as had been the case in other games during the season, after drinks we found it difficult to maintain the momentum and grind away. Donvale finished their innings on 4/171 off 40 overs, which on a large oval was gettable.

Runs on the board counts in finals as they say!!!

Donvale bowled very well, stump to stump, with very few loose balls and we eked out 10/111 with Rob scoring 52 and Siddh 18.

Our season had come to an end at the hands of the eventual premier, but the season of fun, cheeky jibes, memories and laughs will live on...

The season was thoroughly enjoyed by the kids and the Dad's alike, and the experience of playing against seasoned adult cricketers will hold these boys in good stead as their cricket journeys continue....

Thank you to all the parents who assisted over the season, with scoring, arvo teas etc. And finally to Sandeep and big thank you for captaining the team throughout and providing opportunities for the boys to try different roles, to learn and to increase their cricket knowledge....

Leith Sando

### **Veterans XI (Div3)**

In qualifying for finals but ultimately losing our semi to the eventual premiers, season 2023/24 proved to be a rewarding - if not sometimes frustrating - campaign. Whilst thoughts of "what could have been" will undoubtedly linger for some time, our season included many more ups than downs and the manner in which we played positive and purposeful cricket was something to be rightfully proud.

Key to our success this season was our overall depth of talent and an evenness of contribution across the entire squad – including our core group of regulars who continued

to produce for us week in week out, as well as those from across the other GICC senior grades who stepped when required to lend us a hand.

Pleasingly, over the course of the season we were able to give no fewer than twenty players a taste of Vets cricket – the highlight perhaps being our Rd 6 fixture vs Edinburgh when Garry and Lucas Skelton created GICC Vets history as our first ever “father/son” combination.

Season 2023/24 also saw us unearth some fantastic new recruits in Gareth Jones, Paul Pettenon and Lasitha Amarasooriya. As an explosive opening bat, Lasitha led the way with his power hitting which on more than one occasion (including our semi-final) set the tone for our batting to follow. Whilst limited to only a handful of games, Gareth and Paul similarly showed great promise and we look forward to them joining us again in 2024/25.

Highlights for me personally were:

- The batting efforts of Kieran Harvey (ave 40.33), Brett Kelly (ave 28.5), Lasitha Amarasooriya (ave 117) and Harsha Guneratne (ave 17.83) – scoring for us a combined 516 runs for the season.
- Sunday morning training... (who knew that could be fun!?). The fact we're all 40+ years of age yet still trying to better ourselves speaks to the commitment we have for the game and each other.
- The aforementioned contributions from everyone in our Vets squad. Simply, we had 'no passengers'.

Our award winners for this season:

- Batting: Brett Kelly - 171 runs at an average of 28.5
- Bowling: Harsha Guneratne - 6 wickets at an average of 13.0 (just edging out the unlucky Brett Kelly who averaged 18.63 with the ball for his 8 wickets)
- Fielding: Anthony Morgan – 4 catches, a lightning quick arm, a handful of run outs and always 'on'

I wish to thank all our players for their support and show of endeavour this season. I'm incredibly fortunate to play with such a terrific bunch of mates whose company I enjoy and whose friendship I value.

To David Lanigan (VC) and Anthony Morgan (DVC) - thank you for your counsel, challenge and encouragement. I reckon we got more things right than wrong – so well done us!

To Anthony Di Marzo and Derek Jarman who throughout the season helped us in managing scoring and various admin duties – thank you both.

As always, I wish to thank the club for their help and efforts in getting everyone on the park and enjoying themselves, especially Bill Heath, Jim Parry and all committee members and volunteers.

See you all in 2024/25!  
Christopher Watts

## Veterans XI (Div4)

## Veterans XI (Over 50's)

It was a funny kinda year for the Over 50s but good as well as it also saw the club introduce over 50 style cricket to a few old faces and hopefully this continues in coming seasons!

Over 50s sees us have a 7 round season but a BYE a washout and finally a heat out saw us play only 4 games for the season!

Our best two matches oddly enough were probably against the eventually Grand Finalists in North Alphington & Mazenod and we were actually a bit stiff to lose both these games. But that also a good sign as we sorta went close without trying in a way!

In the opening match we were completely out played and we were short of players against a side with an abundance of talented Over 50 players. Phil Mather stood up with a strong 30.

Next match there was a call for arms for those Over 50 category and we only narrowly went down to eventual premiers North Alphington. Basically having to retire players at 40 was the real reason why we lost this match. O'Rourke, George Koumantatakis aka Doc & Tribe all made 41, Parry 40 & Mather 34. But the day saw the likes of Doc the taste of cricket once again and gave him the opportunity to spread the word about the virtues of over 50s to a few forgotten team mates!

Our next game saw us taken on Mazenod and we enticed the likes of Martyn Bona, Andrew Pulverman, Darren Watson, Jason Hill to play alongside Doc and relive some past glories! Whilst we came up a little short the boys enjoyed the day and hopefully back for more next season. Doc 34, Everett 25, Phil ORourke 18 and Watson 17.

We were washed out the day after the Centenary Ball believe it or not - so the cricket god was looking after a few of us with sore heads!

Next cab off the rank was Mt Waverley in a good game of cricket which again saw us narrowly go down. Doc 43 in the runs again, Hendy 40, Heath 26 and Phil on one leg managed 24 and McDermott 12no while McDermott 3/14 off 6 overs - we won't mention the last ball over throws Mr Hendy will we lol!!

So we move onto the last game of the season and it was to be Big Kev Richards 300<sup>th</sup> game for the club so the Over 50s social calendar went into overdrive for such a mega event!

Team dinner on the Wednesday on Dynasty Malvern Rd followed on the Friday by a corporate box extravaganza at the MCG for the Australia v West Indies 50 over game. We were all primed to make sure Big Kev 300<sup>th</sup> would be a day to remember for everyone but alas the weather gods kicked in again with high temperatures in the 30s and everything is now on hold until next season. Keep breathing Big Kev!

So, all in all a good season I think as a we whet the appetite of a few former players who all sound keen to get more involved next season with possibly a friend of two in mind as well – so more the better and we look forward to a good season next year!

Paul McDermott

## Junior Section

As we close another thrilling season, it's a privilege to recap the remarkable achievements across the junior sections of the mighty GICC. Our young cricketers have shown exceptional growth, sportsmanship, and competitive spirit. This year was particularly special as we saw significant achievements from our U16A team and our Girls' cricket programs.

### Highlights of the Season

**U16A Team:** The U16A team displayed outstanding teamwork and skill, culminating in a Grand Final win. Coming from a fourth-place finish to take the championship was an exceptional achievement. Coached by Mitch Horn and led by captains Lachie Simpson and Jasper Tudor, every player contributed to this memorable victory, marking a perfect end to the season.

**U14 Teams:** The U14A team reached the semi-finals, showcasing the depth of talent within the squad. Although the U14B team didn't have a winning season, their development was evident and promises stronger performances in the future.

**U13B Team:** The U13B team had a sensational year, making it to the semi-finals. Their passion and determination were inspiring for everyone at the club.

**U12B Team:** The U12B team reached the Grand Final, an impressive feat for a predominately younger team. Their performance throughout the season was commendable.

**Girls' Cricket Program:** Our Girls' cricket program has been a resounding success, growing stronger each year. The Level 2 team, in a joint effort with Burwood, clinched the Grand Final, while the Level 1 team won four of their last five games, showcasing the bright future of women's cricket at our club.

**Level 1 Teams:** Our youngest cricketers in the four U10 teams and one U11 team have shown immense enthusiasm and developing skills, ensuring the club's future remains bright.

### Farewell and Welcome

With a mix of pride and nostalgia, I announce my stepping down as the Junior Coordinator. I am thrilled to hand over the reins to Ryan Green, who will surely infuse the program with new energy and ideas. My tenure has been incredibly rewarding, especially

in establishing and nurturing the girls cricket program and part of a team that had to think on its feet within the confines of COVID to create brightness in everyone's day, when fear was amongst us. I also believe the club has never been in a better place with its Sunday competitions providing the perfect opportunity to help transition players from the junior ranks to seniors.

## **Conclusion**

It was a pleasure to witness such dedication and progress across all levels this year. I am confident that under Ryan's guidance, our juniors will continue to thrive and uphold the club's proud traditions.

I would also like to extend a heartfelt thank you to all the sub-committee, coaches and team managers whose dedication and hard work have been the backbone of our cricket club's success this and previous seasons. Your commitment to developing each player's skills, fostering team spirit, and nurturing a love for the game does not go unnoticed. Your efforts have not only led our teams to achieve great things in competitions but have also instilled important values and life skills in our young cricketers.

We are incredibly grateful for your time, energy, and the passion you bring to the field every day. Thank you for another fantastic season, and here's to continuing our journey together, building on this year's successes.

Thank you all for your unwavering support and commitment - go GI!

Tas Tudor

## **Representative players**

The following players were selected in representative squads during the season:

National U17 Championships  
Cooper Rojko - Victoria

U16 Dowling Shield  
Adam Rixon - Camberwell  
Lachlan Simpson - Prahran

U15 Marg Jennings  
Eliza Nicholson - Box Hill

U15 Craig Shield  
Jasper Tudor - Brighton  
Luke Suckling - Malvern  
Alex Pillay - Ormond

U14 VMCU Boys  
Jack Darley  
Siddh Bhatnagar  
Bradley Moore

U14 VMCU Girls  
Maddison Tudor

U15 Victorian Junior Country Week  
Eddie Dieu - Warrigal & District

U12 VMCU  
Archie Green  
Paranjay Modi ISEC

## **AWARD WINNERS Club Awards**
